**When we listen,**

**what can we learn?**

**Sharing our stories & lived experiences is the best way to create connection in a divided world.**

**At In Full Color, we believe...**

**Art creates empathy.  
Empathy creates change.**

In Full Color helps artists of color share **their stories in their voices.**

This is a storytelling revolution we call **Authentic Representation.**

**Our performances, classes  
and workshops connect  
people of all genders and  
colors with those who are not  
like them.**

**We also provide real, honest  
representation for those who  
feel unseen and unheard.**

**We entertain, educate  
& engage.**

# WHO WE ARE

In Full Color is an arts organization empowering women and trans/gender non-conforming folx of color, as well as other BIPOC artists representing these communities and more:

- Black
- Hispanic/Latinx
- Middle Eastern, Arab
- Asian
- Indigenous, Native American
- Biracial, Multiracial
- Disabled
- LGBTQ+

We started producing work in 2015 and were incorporated in 2017 in Jersey City, NJ, by Summer Dawn, a queer woman of Asian and Hispanic descent.

We've received **numerous awards** for our work including two commendations from the New Jersey State Assembly plus the first Jersey City Arts Council award in the Performing Arts.

# WHO WE SERVE

Our performers and educators represent the least heard voices in America.

## 91% BIPOC

People of color make up 91% of our roster; women & TGNC folx make up ~80%

*(The others are white or male allies in volunteer or supporting roles)*

## 25% LGBTQ+

At least 25% of our artists identify as queer – this includes non-binary, gender fluid and trans artists

# 350

## Artists Served

Since 2015, we've served ~350 artists and counting

## 21 States

Our artists are from New Jersey, New York, California and 18 more states, plus 5 countries!

**Our roster is diverse, and ever-expanding**

**We also serve the Disabled, undocumented & immigrant folx**

Our work is inspired by real issues impacting women and TGNC folx of color.  
Here are some topics we cover

Pieces range from comedic to dramatic and average 5 minutes in length

Family-friendly and all-ages content available

# WHY IT MATTERS

I started In Full Color for fun as an actor who wanted better roles and knew other women of color did too. I figured, let's write our own stories!

Then I discovered that our work **sparked needed conversations**, created empathy and inspired people to push for real change. Our mission grew and grew to include more marginalized people reclaiming their voices.

Today, our work is still fun, but it's also become so much deeper. We advocate for key social, racial and feminist issues. We empower women and TGNC folx to be their best selves.

We want more than diversity, equity, inclusion and access – we stand and fight for justice, too.

We're leading a **storytelling revolution**.
